Attorney General John Ashcroft
US Department of Justice
950 Pennsylvania Avenue, NW
Washington, DC 20530-0001

Dear Mr. Ashcroft:

I am writing today to encourage the Department of Justice to accept the Microsoft antitrust settler member of the technology industry. I want to see Microsoft and the industry to move on. The suit on for over three years and has caused great damage to the entire industry.

Some say that Microsoft is being treated leniently. In fact the agreement is quite tough. Microsoft document and disclose, for use by its competitors, various interfaces that are internal to Windows' system products. Microsoft is virtually handing over their company secrets to their competitors. I getting off easy.

In order to move forward Microsoft is giving in to a lot. The terms of the settlement are fair and t. accepted.

Sincerely,

Donald Delahaut
